Cemetery of Scream

TECHNICAL RIDER
TEMPLATE / 2026
KRAKÓW, POLAND

Template only. This document is a working template prepared for the band. Replace every [bracketed] field with confirmed information and approve the final version before sending it to promoters or venues. Technical requirements must be agreed with the band's production contact.

1. Contacts

ROLE	NAME / CHANNEL
Booking	[booking contact / Bandsintown / e-mail]
Management / tour manager	[name, phone, e-mail]
Production / stage manager	[name, phone, e-mail]
Label / press	Sleaszy Rider Records — https://sleaszyrider.com/contact/
Band / social	https://www.facebook.com/cemeteryofscream · https://www.instagram.com/cemetery_of_scream_official/

2. Line-up on stage

#	ROLE	NAME	NOTES
1	Vocals	Olaf Różański	[own microphone? in-ear?]
2	Guitar	Marcin Piwowarczyk	[amp / DI / pedalboard]

4. Notes

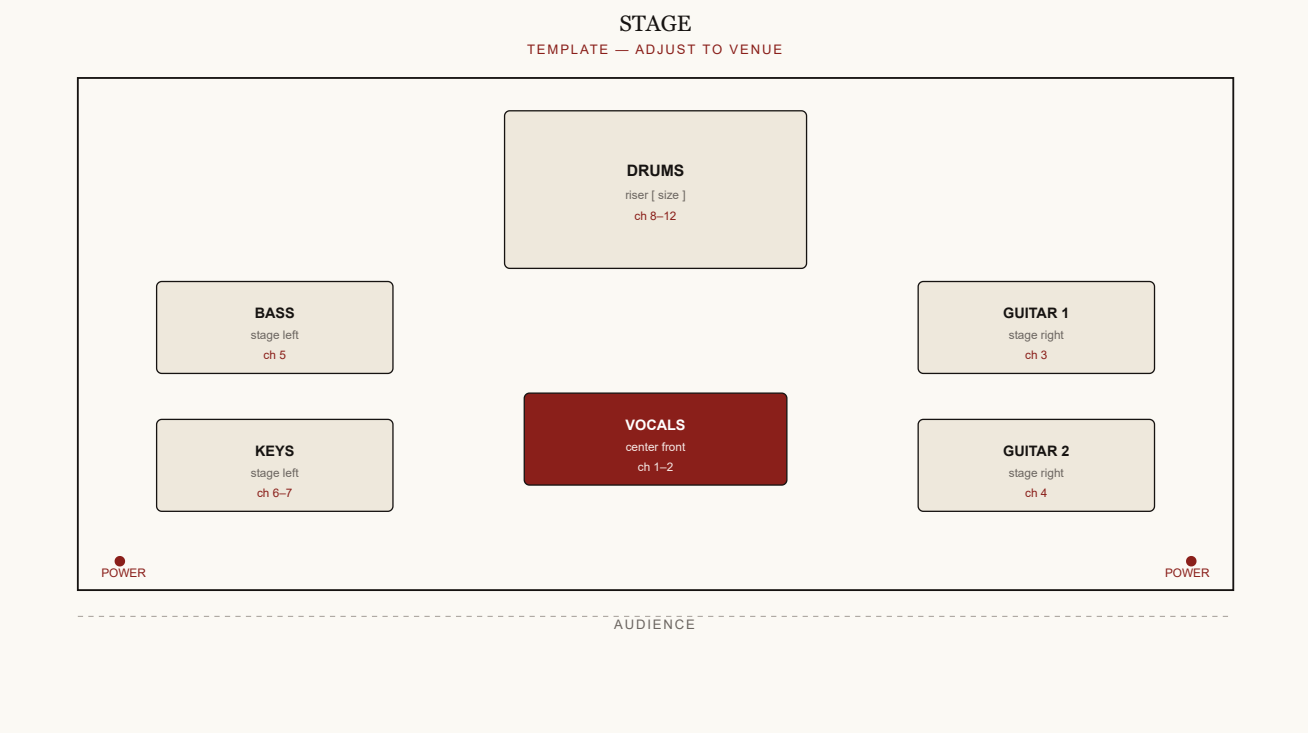

[Add any special requirements: intro music, stage times, merchandise table, signing session, accessibility needs, curfew, etc.]

Approved by / date

Production contact / date

Stage plot — template

Generic six-piece layout. Adjust positions, channel numbers and power drops to the actual venue and the band's confirmed requirements.

— Drums — center back — Bass / keys — stage left — Guitars — stage right — Vocals — center front — Power drops — both sides

Note. This stage plot is a layout template, not a confirmed production plan. Update positions and channel numbers after the band approves the final rider.
